

We need you

capo vii

G D
We need you, how we need you, we need you every hour
Em C
To know you in your glory, to see your spirit's power
G D
There's healing in your presence, there's mercy where you are
Em C D G
So meet us, won't you meet us Living God

C G C D Em
No other God but You, no other God but You
C G D
No other God can satisfy
C G C D Em
You are our great reward, it's You we're longing for
C G D
No other God but You most High

Each trial and each temptation, each enemy we fear
retreats in resignation when the living God is near
So we kneel again before you, o keeper of our hearts
and we ask for your deliverance living God

Chorus

C G D Am7
We are leaning on your everlasting arms
C G D
Lord we know you'll see us through
C G D Am7
Great redeemer, be the song within our hearts
C G D
We'll have no other God but you....

One day we'll stand before you, when all our sufferings cease
And faced with all your glory, we'll meet the Prince of peace
But Jesus in that moment, when every trial has passed
We'll need you, still we'll need you living God

Chorus
