I will not forget all your benefits
G D Em C
even when the storms surround my soul
G D Em C
how you comfort me, heal all my diseases
G D Em C
how you lift me up on eagles wings

G G/B Em C
I will remember you always remember you
G G/B Em C
i will remember you and all you've done for me x 2

I will not forget all your benefits
how you've chosen and adopted me
Orphaned by my sin grace has let me in
and never once have you abandoned me

I will remember you always remember you
i will remember you and all you've done for me

G/B C D Em
I have tasted and I've seen how you Father faithfully,
G/B C D Em
how you shepherd those who fear Your name

When the shadow's start to fall and my heart begins to fail
G/B C D Em
I will lift my eyes to you again (and)
