Even when we turned our backs on You

In wickedness and lies suppressed Your truth

Giving up Your life upon the Cross

Jesus thank You for the Cross
 Am7 G/B D
For the blood that sets us free
 Am7 G/B D
The crimson stain of all our sin
 Am7 G/B C
Washed away in Your mercy

Enemies of God with no excuse
Knowing what was right we turned from You
Given up to sin condemned to die
Even then You chose to give us life

D/C#C G/B C
Everyone of us deserves to die
D/C#C G/B C
But You save all who hope

In Your great love
