

We will go
Brenton Brown

Em C
Just like the ones who came before us
G D
Just like the ones who gave their lives
Em C
Lord we will leave this place with You
G D
And we will go, we will go
Em C
Just as You came to earth from heaven
G D
Humbled yourself to give your life
Em C
We want to follow and obey you
G D
So we will go, we will go

G D
Light of the world, you've shone on us
F C
You've filled our hearts with hope that reaches out
G D
Friend of the lost come burn in me
F C
Make me a flame, set me on fire to be a light in the world

Just as they prayed to you for power that they'd be bold to speak your word
Father we ask that you would fill us as we go, as we go
Just as they asked you for salvation, just as they prayed for kingdom signs
Lord would you send us with Your spirit as we go, as we go

Light of the world, you've shone on us
You've filled our hearts with hope that reaches out
Friend of the lost, saviour to me,
Make me a flame, set me on fire to be a light in the world

Em
Set me on fire, Lord make me a flame
C
Release your fire please do it again...
G
Set me on fire, Lord make me a flame

D

Release your fire please do it again...
